**“The absolute, most important, best thing that you can do for your pastor is to pray for him.”**

## **The Best Thing You Can Do For Your Pastor.** By Stephen Altrogge

What is the best thing that you can do for you pastor? Compliment him on his “outstanding, almost Charles Spurgeon-like sermon”? Give money to the church? Give your time and skills to the church? Not heckle him? Admire him for his manly beard? While those are all wonderful things, they are not the best thing that you can do for you pastor.

**The absolute, most important, best thing that you can do for your pastor is to pray for him.**

I was freshly reminded of that fact this morning when I read 2 Corinthians 1:11 - “You also must help us by prayer, so that many will give thanks on our behalf for the blessing granted us through the prayers of many.”

This is Paul talking. The apostle. The dude who wrote a significant portion of the New Testament. The guy who got blindsided by Jesus on Damascus Road. The guy who had the whole “taken up to the third heaven and seeing things too glorious for words” experience. This isn’t a little ol’ Average Pastor With Minimal Gifting. We are talking about THE Apostle Paul who studied under THE Gamaliel. If anyone could feel sure of his ministry success it was Paul. I would expect Paul to say, “I am confident of my success

in the Lord, but your prayers would also be helpful.”

But that’s not what Paul says. He says, “You also MUST help us by prayer.” There’s a hint of desperation in his voice. He is pleading for the prayers of the Corinthians. Why? Why does Paul feel such a deep need for the prayers of others?

Because he knows that the depth of his fruitfulness hinges on the prayers of others. He knows that he will not be successful unless he is propelled forward by the prayers of the saints.

That’s why he says that many will give thanks for the blessing granted through the prayers of many. In other words, Paul is expecting people to be grateful to God for his ministry and for the blessings that they have received through his ministry. But how did those blessings come about in the first place? Through the prayers of Paul’s friends! Paul’s ministry was fruitful because others were praying for him.

Your pastor desperately needs your prayers. I desperately need the prayers of the people in my church. The best thing that a person can do for me is pray on my behalf. The more people pray for me, the more fruitful my ministry will be.

So how can you pray for your pastor? Here are a few practical ways:

**Pray that they will have spiritual and emotional endurance.** Being a pastor is a wonderful job, but it can also be a very draining job. I need endurance to continue working with joy.

**Pray that they will have rich fellowship with the Lord.** The pastor’s power comes from the Lord. I need God to meet me and refresh week after week.

**Pray that your pastor will be protected from temptation.** If Satan can take down a shepherd, the sheep are much more vulnerable. I need the Lord to protect me from the temptations of pride, greed, lust, impatience, and a host of other sins.

**Pray that your pastor will preach with power.** Apart from the power of the Holy Spirit, a sermon will be nothing more than an eloquent boatload of crap. I need the Holy Spirit to put power behind my words.

There are many more ways to pray for your pastor, but this should get you started.

So please, I’m begging you, pray. Your pastor depends on it.

## Eric Barger coming to Peace

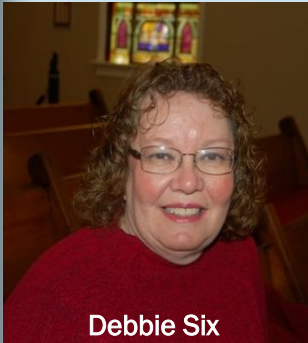

Eric Barger will be speaking at Peace Free Lutheran Church on Sunday, April 22 at both services.

After spending two decades immersed in the world as a record producer, rock musician, drug addict, and New Ager, Eric Barger is now widely recognized in the area of Christian Apologetics and Discernment Ministry. Eric's Take A Stand! Ministries confronts both the culture and the Church, focusing on the Cults, World Religions, the Occult, Spiritual Warfare, and, most particularly, the

troubling unbiblical trends and doctrinal issues facing Christians in these end days. He is the author of numerous books, including the best-seller From Rock to Rock, Entertaining Spirits Unaware: The End-Time Occult Invasion (with co-author David Benoit) and Disarming the Powers of Darkness. Eric has written for [USA Today](#) and has been interviewed by hundreds of print and electronic media outlets, including [Time Magazine](#) and [Fox News](#). October, 2011, marked the beginning of Eric Barger's 29th year of full-time apologetics and discernment ministry. Each year he travels more than 200 days across the US and Canada presenting his multi-media "Take A Stand!" Seminars in conferences, churches, and Christian schools. With Evangelicals continuing to steadily

slide into doctrinal chaos, Eric Barger is a voice of biblically-based reason -- and warning. Besides refuting unscriptural ecumenism, universalism, the normalization of Islam and Mormonism, and popular yet problematic fads such as the novel, The Shack. One recent focus of Eric and Take A Stand! has been an understandable expose' and dialog concerning the heretical Emergent Church movement. His messages on this topic have become the most requested live seminars and video teachings Take A Stand! has ever produced. Eric Barger is an ordained minister with United Evangelical Churches. Eric and his wife, Melanie, have two grown daughters and four terrific grandchildren.

Debbie Six

**"The Lord your God is with you wherever you go." Joshua 1:9b**

*Know that the LORD Himself is God; It is He who has made us, and not we ourselves; We are His people and the sheep of His pasture. Psalm 100:3*

**"I will take you by the hand and keep you;" Isaiah 42:6**

## Getting to Know Debbie Six

Debbie Six has been attending Peace Free Lutheran Church for nine months. She became a member on December 25, 2011, and attends the 8:00 a.m. service. Debbie says she appreciates the friendliness of everyone at Peace, Prayer, Prayer, Prayer, and that she has learned so much since coming here. She has been a Christian all her life, but did not always realize everything that meant.

Debbie and her husband Ron have just bought a

house on Trine Street. She has Two Sons, Ryan(30) and Tyler(24). She has a dog, Odio, who was her Granddaughter Delainey's dog, but now Odio makes his home with Debbie and family! Delainey is 7 yrs. old, and her Grandmother loves her to pieces and says, "She is my rock!"

Debbie works in a law firm, actually with Doug Hertlein. "Don't hold that against me", she jokes! Doug leads a Bible Study there, which Debbie attends.

Debbie crochets, knits, and sews. She loves all crafts.

One of Debbie's favorite Bible Verses is Joshua 1:9—"Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go." Please remember to pray for Debbie's husband, Ron, who is having health issues.

*Debbie says, "Thank you everyone for making me feel comfortable!"*

## Getting to Know Kathy and Greg Breunig

Kathy and Greg Breunig have been attending Peace Free Lutheran Church for about a year and a half. They became members in August of 2011 and attend the 8:00 service. In the warmer months they really enjoy going to the early service at the park. They both like Peace Free Lutheran Church because we teach and believe the Bible. "So many churches today don't believe that what the Bible says is true and that what it says about the future is going to really happen.

Kathy (Kat) has been a Christian since she was about 14 years old. She was baptized, confirmed and married in the Lutheran church. She didn't really know Jesus, however, till she was about 14 years old. Greg was baptized, confirmed and raised a Methodist. Kat always teases Greg that he got to be a Lutheran the easy way, by marrying her and not going through 3 years of catechism!

Greg and Kat have two sons

that they adopted from Korea. Their sons are grown and they have 3 grandchildren that live out of state. They have a LARGE Ragamuffin cat who has them trained to do a number of tricks!

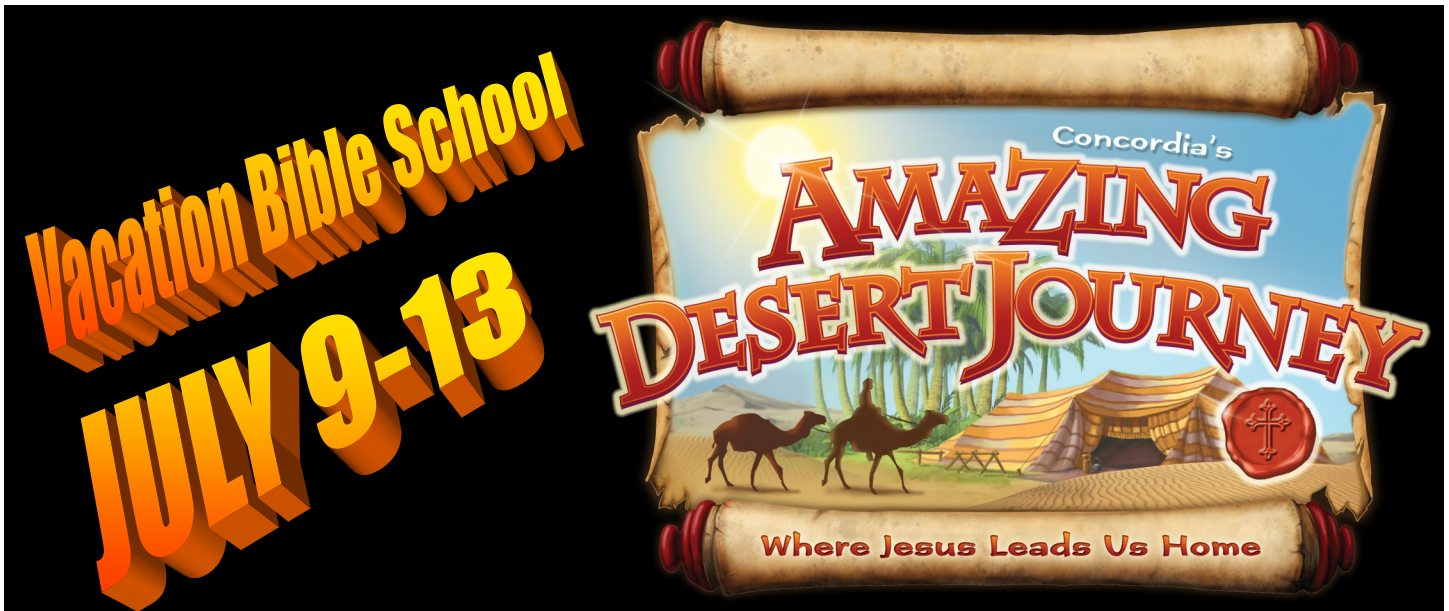

Kat works for Motorists Insurance in the mailroom and Greg is a meat cutter at Meijers grocery store in Westerville. Kat enjoys quilting, sewing and gardening. Greg enjoys reading and gardening.

Kat's favorite verse is Psalm 100 and Greg's is Isaiah 42:5-7. They both have a great concern for the direction that our country is going. They are trusting God for a real revival.

Greg and Kat were at a Bible

study at the ELCA Lutheran church they had been members of for many years when the pastor said that he didn't believe that the story of Genesis was true and that many other parts of the Bible were just old stories. They asked the pastor later about what he had said and he made it very clear that he didn't believe the Bible. So they started searching for a new church home. They went to a couple nice Bible believing churches, but missed the Lutheran church. One day when Kat was listening to Olive Tree Ministry, David Barnhart was a guest and she heard about Peace free Lutheran Church and realized that there was a Lutheran church that still believed the Bible. The first time they visited Peace Free Lutheran Church, everyone made them feel right at home.

Greg and Kat live in North Columbus so it's a long drive for them to come to Peace and they work strange hours so miss out on most of the activities at church but they hope that when they retire in a few years they can get back to being active in church.

“For we know that if the tent that is our earthly home is destroyed, we have a building from God, a house not made with hands, eternal in the heavens.”

## 2 Corinthians 5:1

No fairy tale creations here—this VBS theme is drawn right out of the Bible! The journey begins as Adam and Eve leave the lush oasis and enter a life of sin in the desert. After all, if children don't know we have sin, then they

won't know their need for a Savior. From there, children see how Moses led the Israelites on a journey through the desert and Jesus was tempted in the wilderness. The week ends with a joyful celebration of the Resurrection and the heavenly home God has prepared for us. At the center of all teachings is our gracious Savior, Jesus Christ.

As a bonus, each day's memory verse is a petition from the Lord's Prayer. At the end of the week, children will have learned the prayer that Jesus taught His disciples!

Every day of VBS shows children that even though our earthly lives are consumed by the desert of sin, we can be refreshed by forgiveness through Jesus' sacrifice on the cross, the promises of God's Word, and the earthly oasis of His Church.

# Miriam Infant Home

## Changing the Future of Brazil

Jonni Silver

### Surprises Around Every Corner

Almost everything new is exciting—and sometimes scary. That is most certainly true for the children of the Miriam Home! Today we have nine young people and only one of them was with us when school ended for the year, that means eight children are facing a lot of new situations.

Nearly all of the children in the Miriam Home today are 10 years old or over. All of them come from situations where they had to take care of themselves; now they have what probably seems like so many "aunties". To begin with that is pretty hard all by itself - it feels less like being cared for and more like being bossed around, by everyone! The rules that keep the Miriam Home from falling apart feel very restrictive during the first few weeks. But the loving hearts of our house moms are quickly winning over the children.

The next new factor in the kids lives is a new school year! Next week classes begin and, believe it or not, they are looking forward to it! Many are going to new schools and all in new grades.

The biggest "new" in the lives of all the children is the simple unknown. Every child arrives not knowing how long they will stay

with us; most have no idea where they will go when they leave. This isn't an easy "new" to deal with, even as adults. Imagine for a child be they 5, 10 or 17 years old! One of the goals of the Miriam Home is to make this stressful time as easy as possible in the lives of the children. Your prayers make a huge difference! The

precious gifts so many of you have sent, have eternal impact! We recently received a boxes of mini-quilts. We are in the middle of summer right now and noone needs help staying warm but the children, even the oldest, love these mini quilts! They hold them when they watch a dvd at night, or a tv program, and they feel loved. Sheets and used tennis shoes, Tootsie Rolls and stickers have all been amazing ways for kids to feel hugs from thousands of miles away! Bless you and thank you!

### Please Keep Praying!

For God's work to continue in the lives of the Miriam Home children and staff.

For LaVonne Cornelius, for God's grace and perfect timing as she waits for her visa to arrive.

For Odete, one of our house moms, expecting a precious little one of her own!.

**Bless you all**

### Getting to Know You

You already know we have a new gang in house, so let me introduce you!

**Samuel** - is the child who was here when school let out last year. This sweet 8 year old has been with us for seven months now, and the fact is he doesn't come from a bad family, but his mother needed to be worked with before Samuel could go home. She has HIV (praise the Lord, none of her three children do) and had been very fearful of taking the medication that she needs to stay strong. Over the last two months she has become much more faithful in taking the meds and keeping her doctors appointments. She seems to finally understand that she needs to take care of herself for the well being of her children.

**Cleberson** - has been with us for two months and has won the heart of everyone who meets him. He is five years old and has a deep joy and a ready laugh. He arrived dry as dust but what a difference a little love and affection has made in his life! Please pray we find the right family for this precious, special little guy!

**Luis** - Has been here a little over a month and he brings joy and energy to every day! Luis is 10 years old and is also here because of problems his mom is facing. It is likely he will be here a while longer, but he is o.k. with that because his mom has chosen to enter a recuperation program, so that she can have her son back! It is a joy to see Luis pray for his mom, trusting God to take care of her,

day by day.

**Diane** - arrived about the same time as Luis. She is 14 years old, four years ago everything changed when her mother died. Her father remarried and since then there have been constant conflicts between the step-mother and Diane. Tension became aggression when the father traveled (he drives truck interstate). Diane has fit into the Miriam Home well, she has found friends in the older girls in the house and is building strong ties within the youth group at church.

## APPALACHIA MISSION TRIPS

### MCDOWELL COUNTY, WEST VIRGINIA

I am coordinating a mission trip to McDowell County West Virginia for August 5-10 2012. I would also encourage you to visit their web site for more information as well: [www.experiencemission.org](http://www.experiencemission.org). Costs can be offset by different avenues so please don't let this be a distraction. Please give this prayerful consideration. John Pabst

## Pilgrim's Progress by John Bunyon – Confirmation Class

### Summary of Pilgrim's Progress By Stephanie Fox

The Pilgrim's Progress is about a man trying to escape his fate of destruction. Being from the City of Destruction we find Christian, a troubled man. When he found out this troubling burden, he was set on finding relief of it, and Christian got help from a man called Evangelist, who told Christian to go to the gate. Christian on his journey did make it to the gate, but afterwards he was left, deceived, and he sinned. After this he was relieved of his burden and given new clothing, and had a mark put on his head and given a scroll. He started his journey to Mt. Zion. He sinned on his way to the House of Beautiful. When he finally came to the house, he was given shelter and armor. When he left the House of Beautiful he made his way to a valley of the shadow of death and fought Apollyon. After this he made his way through the

Valley of the Shadow of Death, where he met up with his friend Faithful. They met Talkative but soon got rid of him, finding he was all talk and no show. They then arrived at a town called Vanity, where Faithful was killed, and went to the Celestial City. Hopeful joined Christian and they escaped the Vanity Fair. Hopeful and Christian let the silver mine pass them and came into a beautiful garden/forest/meadow where they stayed for days and then left. Then they came near the Doubting Castle, where Giant Despair captured them and abused and harassed them. They did finally escape and got on the right path again. They came to the Mountain Zion where the Shepherds showed them signs and gave them warnings. Then they gazed at the Celestial City. When Ignorance got there he was turned back because he had not come in from the gate, plus he did not have his certificate and was deposited into hell!!!!

Christian leaves his burden at the Cross.

Christian looks for a way of escape outside the City of Destruction.

### The Pilgrim's Progress By Ally Staffan

The story of Pilgrim's Progress is about a man that has a dream. In this dream a man, Christian, seeks relief of the heavy burden he carries on his back. He goes on a journey to free himself of the burden, and once he loses it he sets off for the Celestial City. He meets many people on his pilgrimage. Some people are good companions like Hopeful and Faithful. Some are trying to lure him away from the Celestial City like Apollyon and Giant Despair. Eventually he makes it to the Celestial City with Hopeful where they meet the King.

My favorite part of this book was when Christian and Hopeful cross the River of Death into the Celestial City. I like how even when Christian feels like he cannot walk on, and starts to fall in the river, Hopeful helps him to cross. It represents how on your Christian walk good Christian friends can help you when you fall down. I think this is a very important part of the book.

## On Line Church Calendar

If you haven’t been using our Google Calendar, please check this out: We have recently revamped the church calendar and created a very dynamic version online that should be easily synced with most electronic calendars including email and smart phones. This first link will bring you to an online HTML version. If you have a Google account, you can easily add this calendar to your own by clicking the link in the bottom right corner of the calendar page. Otherwise you can bookmark the page.

This next link connects to the iCal file which will sync with most applications. According to Wikipedia:

iCalendar is used and supported by a large number of products, including Google Calendar, Apple iCal, GoDaddy Online GroupCalendar, IBM Lotus Notes, Yahoo! Calendar, Evolution (software) , KeepandShare, Lightning extension for Mozilla Thunderbird and SeaMonkey, and partially by Microsoft Outlook.

It takes a while to type this in to a smart phone, but this is probably the most universal way to sync with an existing calendar.

We hope that this will be a valuable service to help you keep track of church events in our hectic lives!

## Thank you....

Dear Peace Family,

*I am touched by the outpouring of love and concern for me and my family at the passing of my father. The cards, especially, brought so much more than I would have expected. I don't believe things could have gone much better, given the gravity of the situation. My mother is doing well and is surrounded by loving family from all over, and as always by the loving arms of our Lord and Savior, Jesus Christ. Each day I went to the mail box with anticipation of more comforting and encouraging words, and have not been disappointed. Chelle and I sincerely want to thank each and every one of you for the cards, kind words, your visits and needless to say, your*

*prayers. You have inspired me.*

*Your brother in Christ,*

*Michael Coleman*

Dear Peace Lutheran Family,

I thank everyone for your outpouring of love, concern and prayers for me and my family at the passing of my younger sister, Mary Ann Dalton of Ranger, West Virginia on February 28, 2012. She was 64 years of age. I know she had given her life to Jesus Christ many years ago, and maintained that love for her Savior. by his blood and sacrifice she is now in heaven. Anita and I thank you for the many cards and prayers. Your cards are still dis-

played in our living room. It is so comforting to know our brothers and sisters in Christ think of us at the time of our mourning for our loved one. It is also comforting to know she has graduated to heaven.

Your brother in Christ  
Bob Davis

To our church family,

I can't begin to express my thanks for the many prayers, cards and phone calls I received during my recent surgery, also the visit from Pastor Emerson and Jane. All were greatly appreciated and helped so much on my road to recovery.
